

Iowa Association of County Medical Examiners (IACME)

July 15, 2011

Mark Your Calendars for November 4-5, 2011

The IACME Program Committee is planning another outstanding program for the 2011 IACME Fall Meeting and Education Expo to be held Friday and Saturday, November 4-5 at the Sheraton West Des Moines.

This conference, which is offered annually by the Iowa Association of County Medical Examiners, is the premier educational opportunity for Iowa professionals involved in death investigation.

Here is a sampling of comments from attendees at IACME's 2010 event:

"This was a fabulous lineup of speakers."

"Iowa is always trying to improve in the field of death investigation, and I'm proud to be part of this conference."

"This was my first opportunity to attend — great conference."

"Great program, thanks for putting it on."

The 2011 program begins with the ME-101 course at 9:00 a.m. Friday morning, November 4. ME-101 is taught by Dr. Dennis Klein and staff at the Iowa Office of the State Medical Examiner. This portion of the weekend is free for any professional involved in death investigation and covers topics including death scene procedure, determining time of death, death certificates and other basics. If you are new to death investigation or want to brush up your basic skills, this is your opportunity.

Registration for the IACME Fall Meeting and Education Expo begins at 12:30 p.m. Friday. Speakers will continue through the afternoon and on Saturday morning. Topics being considered by the Program Committee include mass disasters, alcohol-related deaths, sports and recreation-related deaths and cardiac-related deaths.

The IACME Banquet will take place Friday evening following a cocktail reception for attendees. The evening will include a presentation on stress in death investigators, a topic of interest to IACME members and their spouses. Programming on Saturday, November 5 will conclude before noon.

Please mark your calendars now and plan to attend. Watch your mail for a brochure containing final program details and a registration form.

We hope to see you November 4th!
