## About the IACME Fall Meeting and Education Expo

The IACME Fall Meeting and Education Expo is held every fall and is a premier educational event for Iowa's county medical examiners, medical examiner investigators, EMS personnel, law enforcement, funeral directors, attorneys, public officials and others involved in death investigation.

The IACME Fall Meeting and Education Expo receives high marks from attendees for the high quality of the program and relevance of topics in death investigation.

The IACME Fall Meeting is well-attended by death investigators from around Iowa. Sponsorship of the IACME Fall Meeting provides a great marketing opportunity for businesses that provide goods and services related to death investigation and for organizations with an interest in the work of death investigators.
