## **Iowa Violent Death Reporting System**

321 E. 12th St.  
Des Moines, IA 515.322.6918  
nafla.poff@idph.iowa.gov  
Representative: Wendy Ringgenberg, PhD

*The Iowa Violent Death Reporting System (IAVDRS) is funded by the Centers for Disease Control to collect data on violent deaths and enter the data into a national database. The DHHS gathers reports from death certificates, medical examiner and law enforcement reports to identify circumstances that contribute to the following types of violent deaths: homicides, suicides, deaths resulting from law enforcement intervention, unintentional firearm injury deaths, deaths from terrorism and deaths of undetermined intent.*

## **NMS Labs**

*A leader in forensic science, partners with law enforcement when they are faced with a backlog of tests or are in need of a full-time outsource partner that offers speed, quality and integrity. With over 2,500 tests, NMS Labs offers unsurpassed service.*
